Correction for 'Self-assembling peptides for stem cell and tissue engineering' by Philip D. Tatman *et al.*, *Biomater. Sci.*, 2016, DOI: 10.1039/c5bm00550g.

The authors regret the incorrect positioning of the email for one of the authors, Eung-Sam Kim, from the original manuscript. The corrected list of authors and affiliations for this paper is as shown above.

The authors also regret the omission of a financial support declaration in the Acknowledgements section, which should have read as follows:

Acknowledgements

This work was supported by a National Institutes of Health R21 Grant (R21AR064395 to DHK) and a Muscular Dystrophy Association Research Grant (MDA255907 to DHK). DHK thanks the Department of Bioengineering at the University of Washington for the new faculty startup fund. This work was also supported by an Orthopaedic Research and Education Foundation New Investigator grant awarded to A. O. G. and an International Collaborative R&D Program Grant with KIAT funded by the MOTIE (N0000894) awarded to D. H. K. This study was financially supported by Chonnam National University in 2014 and 2015.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
