Correction for 'Synthesis and characterization of nitrogen-functionalized graphene oxide in high-temperature and high-pressure ammonia' by F. H. Baldovino *et al.*, *RSC Adv.*, 2016, 6, 113924–113932.

In the original manuscript, the first name of one of the authors was incorrect. The author's name is "Michio Koinuma", not "Masayoshi Koinuma". Additionally, several of the authors' first names were written as initials rather than in full. The full names of the authors are given above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
