Correction for 'Indirect fabrication of versatile 3D microfluidic device by a rotating plate combined 3D printing system' by Dong-Heon Ha *et al.*, *RSC Adv.*, 2018, **8**, 37693–37699.

The authors regret that the name of one of the authors (Jin-Oh Kim) was shown incorrectly in the original article. In addition, the author contributions were incorrectly given. The corrected author list and contributions are as shown above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
