Correction for 'Facile fluorene-based hole-transporting materials and their dual application toward inverted and regular perovskite solar cells' by Rong-hao Cen *et al.*, *Sustainable Energy Fuels*, 2021, **5**, 5548–5556, DOI: 10.1039/D1SE01122G.

The authors regret the misspelling of the name of one of the authors, Rong-hao Cen, in the original manuscript. The corrected list of authors and affiliations for this paper is as shown above. The ESI file has also been updated with the corrected author list.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
