Outstanding Reviewers for *RSC Applied Interfaces* in 2023

We would like to take this opportunity to thank all of *RSC Applied Interfaces*' reviewers for helping to preserve quality and integrity in chemical science literature. We would also like to highlight the Outstanding Reviewers for *RSC Applied Interfaces* in 2023.

Each one of our outstanding peer reviewers have been chosen based on the number, timeliness and quality of the reports completed during 2023.

"I would like to provide a few words of gratitude for our referees, who devote time and energy to ensure that our journal maintains its high standards of excellence. Scientific publishing requires a rigorous editorial processes and thorough peer review, to ensure that our readership has access to the latest findings, in their best format. In this context, outstanding reviewers deserve special mention, for providing a truly excellent service to the community." Professor Federico Rosei, Editor-in-Chief.

Professor Giovanni Fanchini
University of Western Ontario
