Correction for 'Shape-controlled synthesis of micro-/nanosized Cu particles with spherical and polyhedral shapes using the polyol process' by Nguyen Thi Nhat Hang *et al.*, *RSC Adv.*, 2024, 14, 22403–22407, DOI: <https://doi.org/10.1039/D4RA03643C>.

The authors regret that the affiliation for Nguyen Huu Tri was incorrectly shown in the original manuscript. The corrected list of affiliations is as shown here.

In addition, the author contributions were incorrectly given. The corrected author contributions are given below.

Author contributions

N. V. L. conducted the experiments, collected the data and results, wrote the entire original manuscript, and discussed the results and insights into the polyol processes for the synthesis of Cu nanoparticles (Author contribution: 90%). Y. Y. (Author contribution: 2%), L. H. P. (Author contribution: 2%), N. H. T. (Author contribution: 2%), N. T. N. H. (Author contribution: 2%), and H. V. C. (Author contribution: 2%) discussed experimental data and research results.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
