Correction for 'Photothermal-responsive Prussian blue nanocages loaded with thrombin for tumor starvation therapy and photothermal therapy' by Yang Liu *et al.*, *Biomater. Sci.*, 2023, **11**, 4938–4947, <https://doi.org/10.1039/D3BM00526G>.

The authors regret the error in Fig. 4c in the original manuscript. The correct version of Fig. 4c is as shown below. The error does not affect the conclusions of the article.

Fig. 4 (c) Calcein-AM and PI double staining of the 4T1 cell line incubated under dark conditions and laser irradiation conditions. Scale bar: 100 µm.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
